Sir:

Responsive to the Non-final Office Action mailed 06/28/2005, applicant submits amendments to the claims section.

REMARKS – General

Drawings were accepted.

Claims 1-8 are pending. Applicant cancels claims 5 and 8. Applicant amends claims as follows:

Claims 1-3: Applicant adopts examiner's suggested amendments.

Claim 4: Applicant amends claim 4 to particularly point out the subject matter of the present invention.

Claim 6-7: Applicant adopts examiner's suggested amendments.

Claim 9: Applicant submits new claim 9 to particularly point out and distinctly claim the subject matter of the present invention.

Applicant believes that this submittal obviates all claim objections and rejections in distinctly claiming the user-centric heuristic routing selection is based on individual user's history not each form's history.

Sincerely,

Peter_GH_Hwang@patentry.com
